

2026 Fall PA Day Sibshop

Join us for free Fall PA Sibshops session on November 20, 2026. Designed for siblings of children with special developmental concerns, including intellectual and developmental disabilities, Sibshops offer a fun and supportive opportunity to connect with peers who share similar experiences. Participants will enjoy games, discussions, and activities while learning more about disability services and sibling relationships. Lunch and snacks are provided. Registration is required, and a facilitator will contact families to confirm participation.
